Christmas Time

at Lovelady Shield

It's never is too early to reserve a room for the festive season.

These are truly magical times of the year and are made even more magical at Lovelady Shield.

Treat yourself, leave the angst of cooking the Christmas dinner to Barrie and his team, so just sit back and relax. Well, we can let you do the washing up if you get withdrawal symptoms!

Arrive in time on Christmas Eve for afternoon tea served in front of the open log fire. Then relax before joining us for champagne prior to our four course dinner.

Sleep well, enjoy a late breakfast, go for a walk along footpaths running from our door, or just relax in front of the real log fire, read a book, play a board game or watch that DVD you've been meaning to watch all year.

Our special celebration 7 course Christmas Lunch is served in the early afternoon. Light snacks to order will be available in the evening if you still have room.

A late Brunch is a must on Boxing Day which gives you plenty of time to prepare yourself for dinner.
